FINAL REPORT OF SPECIAL INSPECTIONS

PROJECT: _____

SS: _____

Special Inspections Engineer of Record: _____

Inspection reports numbered _____ to _____, and test reports numbered _____ to _____, all submitted prior to this Final Report, form a basis for, and are to be considered an integral part of this final report.

In my professional opinion, the special inspections specified for this project and itemized in the Statement of Special Inspections submitted for permit have been completed. The building elements subject to special inspections have been found to be in compliance with County-approved documents and project specifications. Violations of the Virginia Uniform Statewide Building Code observed in the conduct of special inspections services were brought to the attention of the appropriate registered design professional of record, the County and the owner for resolution and the resolution was approved by the County.
